

WITHOUT PAYMENT, YOU WOULD  
REMAIN FOR A HUNDRED YEARS  
ON THE CROWDED BANK OF STYX.

ONCE YOU ARE PAST  
CERBERUS, THE FAR  
SHORE OF STYX COMES  
INTO VIEW.

HIS THREE HEADS WHIMPER A  
FRIENDLY GREETING, AS HIS  
SERPENT TAIL WAGS HELLO.

AS CROWDED AS THE NEAR  
SHORE OF STYX WAS, THIS  
PLACE, CALLED EREBUS, IS  
EVEN MORE SO.

AFTER AN AGE OF  
TRAVEL, YOU WILL SEE  
CERBERUS, WHO GUARDS  
THE ENTRANCE TO THE  
UNDERWORLD.

IT IS HIS JOB TO MAKE  
SURE THE DEAD DO NOT  
LEAVE THE UNDERWORLD.  
HE WOULD NOT BE SO  
FRIENDLY IF YOU WERE  
TO SEE HIM AGAIN.
