

Artemis: Wild Goddess of the Hunt

Olympians Book 9

By George O'Connor

For Discussion

1. When Artemis meets her dad, Zeus, for the first time, he asks her what gifts she wants from him. What would you ask from Zeus, if you had the chance?
2. Artemis can be very cruel. Do you think she and Apollo were justified in what they did to Niobe and her children? How about what she did to Actaeon?
3. What do you think Leto said to Niobe?
4. Artemis was not originally a goddess of the moon. Why do you think she became associated with the moon? How does Selene fit into all this?
5. Who is a bigger creep, Actaeon or Orion?
6. Who would you rather spend a day with, Artemis or Apollo?
7. Why do you think Artemis wanted to become the goddess of the hunt? And why do you think she never wanted to marry?
8. Very few people believe in the Greek Gods today. Why do you think it is important that we still learn about them?
